Doug just keeps coming at you, he doesn't know how to quit. He is definitely a force to be reckoned with this year.

With a good group of freshmen and the type of leadership that the upper classmen have exhibited to date, Mishko believes the Little Giants are going to be very competitive this season.

What do the Michigan Wolverines and The Carbondale Area Chargers have in common?

Well, both teams were picked by the experts to win their respective football conference.

While the Michigan Wolverines were upset 21-14 by Wisconsin Saturday, the Carbondale Area Chargers wanted no part of an upset Saturday at Montrose High School field.

A solid defensive effort, along with a grid-out offense shutout the Meteors of Montrose 2-0.

While the Michigan Wolverines' season will probably come down to their game with Ohio State anyhow, the Chargers have themselves a tough opponent this week.

The Chargers met the Lackawanna Trail Lions, who handed Western Wayne a 14-0 loss. The game, like a Michigan-Ohio State game will say a lot about who will win the Suburban Conference.

The Charger game was the first win back to the coaching ranks for Jim Miller. Miller resumed coaching the Chargers after a three-year absence.

The Chargers got excellent offensive support from Dave Pettinato who rushed for 125 yards, J.E. Marz who rocketed the middle of the line, Gary Gabriel who completed three of six passes for two touchdowns and Brian White who caught two touchdowns passes for the afternoon.

The first half was a scoreless game until the Chargers exploded with less than two minutes left for two touchdowns.

The first score came after an eight-play, 64-yard drive. Dave Pettinato capped the drive when he ran in from the 11-yard line.

Tony Cortese's kick for the extra point was good and the Chargers led 7-0.

Then with time running out, Gabriel hit Brian White for six more points. Cortese's kick was no good.

The Chargers' next score came with about seven minutes remaining in the third quarter when Dave Pettinato went over from the five-yard line. The point after was no good.

The Chargers made the seven-minute mark lucky again in the last quarter when Gabriel hit White with 7:25 left in the game. The pass covered 14 yards.

Grig Kupp has been picked the MIRROR player of the week. The MIRROR will pick a player of the week each week.

Lakeland made it two in a row this football season by topping North Pocono Saturday afternoon at Chapman Lake.

The Chiefs of Lakeland scored at least one in every quarter to completely dominate the Big 11 Conference contest.

Tony Fofi went in from the one-yard line in the first quarter to score the Chiefs' first TD of the day. The extra point kick by Steve Domonowski was good.

Before the period was over, Keith Schweppenhauer tossed a pass to Chris Claus who took the ball in and ran into the end zone to complete a 66-yard pass play.

Again Domonowski made good on the kick and the Chiefs led 14-0 at the end of the first quarter.

The lone score of the second quarter came when Fofi crossed the line from three yards out, capping a 49-yard drive. The kick was good and Lakeland held a 21-0 lead going into the halftime break.

Lakeland had 17 first downs, while North Pocono had but one. Rushing yardage saw Lakeland with 261 and North Pocono with 63. Passing yardage was 116-0.

Lakeland's punters had a field day by booming two for an average of 51 yards. North Pocono averaged a respectable 31-yard average on seven punts.

However, still another fumble gave Trail to third scoring opportunity.

This time they made good on the chance and scored to take a 14-0 halftime lead.

## Three will aid Keystone

Three players from local high schools are being counted on this year to greatly aid the Keystone Junior College soccer team.

They are Larry Tracy and Doug Todd from Mountain View High School and Tom Kubus from Forest City Regional.

Tracy is seen as providing stiff competition for the midfield positions and is expected to push the starters hard as the season progresses.

According to Mishko, "Those familiar with soccer know that a team is built from the goal out and we have secured the talents of one of the finest local products to come out of this area."

"Tom Kubus from Forest City Regional High School will be in the net for the Giants this year."

With his soft hands and knowledge of the game, he should give us the type of play that we need around which to build our defense.

In the forward line Mishko notes that his group of freshmen is one of the most hard-nosed groups of young men that he has ever coached.

If they can't get the ball into the net skillfully, they simply hully in it.
